1. What is your connection or interest in this case? \* For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

SCE&G Customer, Six Sigma Consultant & Businessman

2. Please give a concise statement of your protest. \* (This section must be completed. Attach additional information if necessary.)

Household incomes are down \$4500 annually, healthcare costs are up by \$2500 per family, Gas prices are up 100% and SC consumers are hurting. It is incumbent on you and SCE&G to reduce costs rather than increase rates! SC needs to attract businesses with low energy costs... not drive them away.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? \*

No, thank you, but I would like this entered into the record.
